COMPLETION CRITERIA

Mastery takes time

It takes time to go over the material and revise. Slow down to build a solid foundation.

Pick and choose work

We will assign 10 or so assignments, but you need to do only 5 out of them. You will also have a choice of 3-4 projects. You have to do 2 of them.

A full year to complete the course

It will take you 3 months or so to finish the course, but you have a full year to complete it.
